This league is designed to place an emphasis on the development of softball knowledge and skills.

Here are some important notes to know:

- Games will be Saturday mornings at 9:30 am, with make-up games Wednesdays at 4:45pm. Games will run 2 hours long, with unlimited innings.
- Practices will be held on Wednesdays at 5pm. These practices will consist of **ALL** players practicing, learning, and further developing their hitting, fielding, and pitching skills.
 - Score will not be kept during games.
- **ALL** girls will be given the opportunity to pitch if they desire to do so. If a pitcher walks 5 batters in an inning, the batting team's coach will then pitch for the remainder of the inning. This is intended to keep the games moving, while also allowing both players in the field and at the plate better develop their skills.
- Innings will consist of 3 outs, and standard at-bat practices (4 balls for a walk; 3 strikes for an out) will be followed.
 - The league will run Wednesday August 22nd through Saturday October 6th.
