

2018 Tee-Ball Clinics

Our tee-ball clinics are a series of non-competitive, drill-based practices designed to prepare your daughter for participation in future competitive softball games in our 10 & Under division. Our clinics are designed such that your child is guaranteed to get the attention and guidance needed to grow into a better softball player. Our coaches have put together skills and drills that will challenge the players as well as provide a fun atmosphere, because after all fun is what it is all about! Our goal is to provide a positive experience in hopes that your child will continue to play softball for years to come. Participants are required to bring a glove and water bottle. If you have any questions or comments please feel free to contact 695-8520 ext. 5510.

CLINIC SCHEDULE

4:30-5:30pm @ Taber Field

(next to tennis courts at Lady Jacks Sports Complex- corner of Payne Ave and Taber Pl)

Over the course of the clinics we will cover the following topics: Catching, throwing, fielding groundballs, fielding pop-flies, situational defense, base running, hitting, and rules of the game. The last several clinic days will be used as time to put our learned skills to the test as we field teams and have a scrimmage.

Clinic dates: (4:30-5:30pm)

Wednesday June 20

Monday June 25

Wed. June 27

Monday July 2

Wed. July 4---OFF

Monday July 9

Wed. July 11

Monday July 16

Wed. July 18

Monday July 23

Wed. July 25

Monday July 30

Wed. August 1

Monday August 6

Wed. August 8

In the event of rain

Please call 695-8520 and press 1 for the sports hotline to get updates on the status of any practice. All cancelations will be noted on the sports hotline as well as on our city website at www.ntparksrec.com

TIPS ON CHOOSING A GLOVE

Choose a glove that fits the hand of the participant and can be closed with relative ease. Glove needs to be big enough to catch an 11" softball. Choosing a glove that is too small will make it difficult for your child to catch the ball. Call us with any questions or concerns!
