**Storm 14, Mystics 10**

*Late steal and basket for Avery Devonshire seals Storm victory.*

To start the second half of the season, the Storm took on the Mystics in the only matchup of the night in the Girls 3&4 Grade Basketball League. It was a quick start for the Storm as the team was able to score early. Adalyn Devonshire (2 points, 3 rebounds, 2 steals) scored for the Storm in the first while her sister Avery scored as well. Madeline O' Sullivan scored on a jumper to round out the Storm scoring effort in the first quarter. For the Mystics, it was Olivia Cinquino (4 points, 3 rebounds) that got the scoring going for her team as she scored the team's only 2 points in the quarter. At the end of the first, Storm led 6-2.

The second quarter was characterized by stellar defense from both teams. O'Sullivan scored the Storm's only points in the quarter as the Mystics defense made it difficult for the Storm to find any scoring chances. Sophia Dingman and Madison Smith of the Mystics combined for 5 rebounds in the quarter to limit any second chance opportunities for the Storm. Offensively for the Mystics, Olivia Nelson scored the Mystic's only two points in the quarter while grabbing 2 rebounds. The Storm defense was also tenacious as the team had a combined 8 rebounds in the quarter. It was still a close one at the end of the first half as the Storm continued to lead, 8-4.

Madeline O'Sullivan (8 points, 7 rebounds, 5 steals) continued her stellar game into the third quarter as she was able to steal it and convert on offense, putting up 4 points in the quarter. Storm continued to play good defense as the team kept pulling down more rebounds. Mystics continued to play their hardest as Cinquino scored on a jumper from the free throw line. However, Storm were still up in front by a score of 12-6.

Mystics came out of the intermission on fire to start as the team was clicking on offense. Madison Smith scored an early basket for the Mystics while adding 2 rebounds as well. A steal and a basket from Morrison Brown (2 points, 3 rebounds, 1 assist, 3 steals, 3 blocks) cut into the Storm lead. However, the Storm remained poised in the tight game. Although the Mystics were looking to mount a comeback, a steal by Avery Devonshire late in the fourth led to an easy basket and sealed the deal for the Storm as they won in a close game, 14-10 over the Mystics.

## Player of the Week

### **Madeline O'Sullivan—Storm**

Madeline led her team in the scoring department as she had 8 points. It was beyond her scoring that earned her player of the week as she also grabbed 7 rebounds and had 5 steals in an all around great game.

## Unsung Hero

### **Morrison Brown—Mystics**

In a close game, Morrison did a little bit of everything for the Mystics. Morrison stat line was 2 points, 3 rebounds, 1 assist, 3 steals, and 3 blocks. Even in a tough loss, Morrison continued to play her hardest and did everything a coach could ask for.
