Bisons defeat Chiefs 22-21

Player of the Day:

Arden Kozlowski—Chiefs

Arden was spectacular during her game on Thursday night. Arden went 4-5 from the plate, with 2 runs scored and a couple of RBIs. However, it was her fielding that really stood out. Arden was solid at every position she played, but it was her glove work at 3rd base that was really superb. During the 2nd inning, Arden recorded all 3 outs at 3rd base, by fielding the ground ball, and either stepping on the bag, or flipping the ball to a teammate covering the bag.

Unsung Hero of the Day:

Arianna Rose—Bisons

Arianna went 5 for 5 with a couple of RBIs and a run scored. Ari provided a spark for her Bisons, as she started off their big 5th inning with a leadoff double to centerfield. In addition, Ari was solid in the field, making many plays at first base and the outfield.
