Blue Jays defeat Cardinals 13-3

Athletics defeat Astros 18-12

Player of the Day

Cassidy Dzielski: Athletics

Cassidy's versatility was on full display Monday night. Cassidy was the Athletics starting pitcher, and recorded many strikeouts, while allowing her team to build a lead. However, she also helped her cause by flashing her power at the plate. Cassidy went 4 for 4 and scored 4 runs, including when she hit a mammoth homerun that cleared all of the outfielders. Cassidy also played catcher for the first time in her career, and stopped many pitches that went in the dirt.

Unsung Hero of the Day:

Isabella Hooley: Blue Jays

Isabella went 3-4 from the plate with a couple RBIs and scored 2 runs. In addition, she was also solid in the field, playing catcher for a couple of innings, among other positions. However, the most impressive attribute Bella displayed was her ability to convey to her teammates where the ball should go before each at-batter. Her sportsmanship was also on display, as she was always there to talk-up and cheer on her teammates, even if they made an error. Bella's "softball IQ" helped her teammates stay calm during suspenseful times, and was a leader on the field.
