Bisons defeat Chiefs 26-20

Player of the Day:

Gabby Geising—Bisons

Gabby was arguably hotter than the temperature on Tuesday night, both at the plate and in the field. Gabby went 5 for 5 with 2 doubles, while also scoring 4 runs to help her Bisons capture a victory. Her play in the field was also superb. Whether Gabby was playing pitcher, outfield, or spread throughout the infield, she consistently made the correct play, connecting with her teammates on throws to first base to get multiple outs. The only thing that cooled Gabby down was the sprinkler in the outfield!

Unsung Hero of the Day:

Jacque Benjamin—Chiefs

Jacque had a fantastic game, going 3 for 4 from the plate while scoring 3 runs. While Jacquie played great at all of her positions in the field, it was her favorite position of catcher that she truly excelled at. Jacquie blocked nearly all pitches that were in the dirt, and always yelled out which base the play was to before each batter was up.
