Presents...

SCIENCE ⚙️ TECHNOLOGY ⚙️ ENGINEERING ⚙️ MATH

@ THE REC (383 VANDERVOORT ST)

Through the Ralph C. Wilson Foundation STEM 2035 grant, The Herschell Carrousel Factory Museum is proud to partner with the North Tonawanda Recreation Center to present STEM Club.

STEM Club is a weekly meeting for students to engage collectively in science, technology, engineering, and math (STEM) activities. Participants will explore areas such as physics, coding, electricity, and simple machines with projects and topic geared specifically towards the corresponding age group. On the last Thursday participants will see these concepts and more put to use by taking a tour of North Tonawanda's historic landmark; The Herschell Carrousel Factory Museum.
