

BE A PART OF BUILDING OUR FUTURE!

WHO ARE WE?

We are members of the community that care about our youth. The major function of the Youth Board is to be the City's number one youth advocate. This job is accomplished through overseeing, assisting and equipping the Department of Youth, Recreation and Parks to organize and implement several youth activities. The Board also fundraises to support many of the programs that they conduct along with our annual scholarship awarding \$1500 to NTHS Seniors.

WHEN DO WE MEET?

We have monthly meetings, usually the third Monday of each month, to discuss planning and organizing of events (Fall Festival, Student Government Day, Post Prom Gala, Family Camp Out, and other special events).

We also meet to review current youth programming at "The Rec" and help equip those programs also.

WHY SHOULD YOU JOIN?

If you care about the kids of this community and want to be a part of building the future of North Tonawanda through programs that help build character, family values, and help kids make productive use of their time, then this is the group for you. This is an outlet to voice your opinion, provide feedback, and be a part of positive change in our youth culture.
